Zenetti Limited Warranty

Zenetti uses the finest raw materials and newest technology to produce products of the highest quality and tested to the most stringent international standards.

Zenetti warrants that all Zenetti products are free from defects in the material and workmanship, under normal and intended use, for the period of one (1) year from the original purchase date. Upon receipt and inspection of the returned merchandise, Zenetti will at its own discretion repair or replace any product that is found to be defective. Zenetti's limited warranty is valid for wheels returned to the authorized dealer from whom it was purchased.

Zenetti Chrome Warranty

All Zenetti chrome plated wheels, chrome plated by Zenetti, are fully warranted against plating defects for one (1) year from invoice date. Customer abuse or failure to maintain and clean wheels will void warranty. All wheels considered for adjustment must be authorized and accompanied by an RGA prior to return to Zenetti. Upon receipt (freight prepaid) and inspection, wheels will be replaced, re-chromed or returned depending on credibility of the claim.

Any modification to a Zenetti product, including but not limited to the following will result in voiding of Zenetti Limited Warranty:

- Wheels altered in any manner, such as changing of bolt circle diameter, the offset or the center bore.
- Wheels with use of adaptors or spacers to change the original bolt pattern or offset
- Wheels that have been paint stripped for chrome plating or paint refinishing
- Wheels Improperly maintained causing corrosion or damage.
- Wheel damage or structural failure occurring as a result of an accident or road conditions or racing applications
